

Krishi Diwas

ICAR Tripura-Transforming Rural Agriculture

ICAR Research Complex for NEHR, Tripura Centre organized Krishi Diwas on 27/9/2021 with the theme: ICAR Tripura-Transforming Rural Agriculture. The programme was highlighted with the presence of Dr. Sanjeev Kumar Balyan, Hon'ble Minister of State (Fisheries, Animal Husbandry and Dairying). On his arrival, Dr. Balyan reviewed the ongoing lab and field research activities of Tripura Centre and gave encouraging remarks to the scientists for their endeavours. Thereafter Dr. Balyan inaugurated the Exhibition which was displayed on the theme "ICAR Tripura-Transforming Rural Agriculture". He carefully inspected all the farmers ready technologies of the centre and also guided the concerned scientists for better impacts on transforming farmers life. This was followed by the Inaugural Programme on Krishi Diwas. Dignitaries who graced the dais were Dr. Sanjeev Kumar Balyan, Hon'ble Minister of State (Fisheries, Animal Husbandry and Dairying) as Chief Guest, Dr. K. Sasikumar, Director ARRD, Govt. Of Tripura as Guest of honour, Dr. R.K Saha, Dean College of Fisheries, Lembucherra, Dr. Basant K. Kandpal, Joint Director and Dr. Biswajit Das, Principal Scientist. More than 250 farmers, 150 delegates from different line departments and KVKs attended the programme. The Joint Director of the Institute, Dr. Basant K. Kandpal welcomed the guests and made appraisal to the dignitaries and participants of the theme of Krishi Diwas: ICAR Tripura-Transforming Rural Agriculture. He briefed the delegates on the past achievements and ongoing activities of the centre. The Chief Guest of the function, Dr. Balyan interacted with the farmers and urged them to be proactive and to make use of all the Government Schemes for the successful realization of Our Prime Minister's dream of Doubling Farmers' Income. He also stressed that farmers should be equipped with all the improved technologies and should strive for entrepreneurship. This will motivate other farmers thereby improving the agriculture scenario of the state. Hon'ble Minister also felicitated few Progressive farmers for their success at National Level. Various inputs were distributed through the hands of Hon'ble minister like Improved Paddy Seeds, Poultry Chicks, Vegetable Seeds, Fruit Plants, Fish Seeds, Fish Feed, Fodder Cuttings, Mushroom Spawn, Cast Net and Sprayer to various farmers of Tripura. The Programme was hosted by Dr. Basant K. Kandpal, Joint Director and Dr. Biswajit Das, Principal Scientist Horticulture. Dr. S. P. Das, Principal Scientist Plant Breeding proposed the formal vote of thanks.
