Livelihood Improvement of Tripura Tribal Farmers through farming system approaches under Schedule Tribe component (STC)

A training programme on **Mushroom Cultivation** was organized under STC Project “Livelihood Improvement of Tripura Tribal Farmers through Farming System approaches” at ICAR Tripura centre on 25/8/2021. 16 farmers (11 Women and 5 Men) from West Tripura district were trained in the programme. They were given hands on demonstration on various aspects of Mushroom cultivation like substrate sterilization, drying, bed preparation etc. They were also exposed to the various housing methods for Mushroom farming using the locally available resources like bamboo. The farmers were further motivated to take up mushroom farming by giving them the beds that they had prepared themselves during hands on demonstration. Each farmer made 10 beds and they took those along with them. A total of 110 beds were distributed. Along with these other inputs like Vegetable seeds and planting materials were also provided. The programme was coordinated by Dr. Lopamudra Sahoo, Senior Scientist; Dr. Anup Das, Principal Scientist; Dr. Chandan Debnath, Senior Scientist; Dr. Vinay Singh, Scientist and Dr. Ranjit Singh, Scientist under guidance of Dr. Biswajit Das, Principal Scientist and Dr. Basant K. Kandpal, Joint Director in the Institute Schedule Tribe Component Project.
